

Annual Group Meeting 2013

AGM 2013

- Course Improvements
 - Greens
 - Implementation of the new greens maintenance program eliminated the need for twice per year hollow tining.
 - Resulted in consistently good greens throughout the year.
 - Tees
 - Protective screening for the 10th tee.
 - Re-built several tee boxes badly in need.
 - 3, 13 and 15.

AGM 2013

- Course Improvements
 - Cleared the riverbed and lake on 6 after heavy rains and runoff from the mountains.
 - We think that was a once in 50 years occurrence.
 - No further work planned on the water spillway at this time.
 - 100% battery replacement for the buggy fleet.
 - Needed every two years.
 - New flagsticks and logo flags.
 - New tee markers

AGM 2013

- Course Improvements
 - Shelves built below and behind greens.
 - Below on 7 and behind on 10.
 - Bunker improvement program continuing.
 - Front nine bunkers seem to be improved.
 - Back nine still may have too much sand.
 - Will take sand out by hand this winter for bunkers on 10, 11, 15, 16 and 17.
 - Taking sand out by hand will not interfere with the level of compression already achieved.

AGM 2013

- Restaurant Improvements
 - Continuously working on improving quality.
 - Introduction of new menus throughout the year brings variety and seasonal changes.
 - Addition of a sushi chef.

AGM 2013

- Club House Improvements
 - Carpets steam cleaned.
 - Bar, members room, dining room and stairs.
 - Re-painted and repaired damp in the two stairwells.
 - Renovated the pro shop.
 - Re-upholstered dining room chairs.

AGM 2013

- Over the next year
 - Toilets on the back nine.
 - New restaurant windows.
 - New atrium windows.
 - Enhanced weed eradication.
 - Fix terrace awnings.
