

Rules for knock out competitions

2016-2017

Handicap. Spanish Golf Federation with the SLOPE.

Four-ball (Better-ball):

The player with the lowest *playing handicap*, who must play off scratch, must concede *handicap Strokes* to the three other players based on 90 % of the difference between the *playing handicaps*

Singles:

The player with the higher handicap receives the full difference between the *playing handicaps* of the two players.

It is the responsibility of the player named at the top to make the match arrangements.

Three dates must be given.

Prizes for winner and runners up in both competitions.
