

## Steven Jones takes home his first victory as a Professional in Marbella

**S**teven Jones joined the winner's circle of the Gecko Tour.

The 24-year-old British golfer took home the trophy at the Marbella Country Club after beating Swedish golfer Fredrik From in the playoff.

Jones and From ended up tying on 137 strokes (-7) after two rounds of competition. The winner deserves all the credit in the world in taking home the spoils. He finished with two birdies on the last two holes to go into the playoffs and triumphed on the first extra hole. Steven's plan after this victory is to continue playing in the Gecko until the end of the season. After that, he'll play in the

EuroPro Tour school, a satellite golf tour in the UK, and the following year he'll attempt to make the jump to the European Tour through the school. We wish him well.

## HIGHLAND FLING AT MARBELLA GOLF COUNTRY CLUB

**F**abulous Haggis from Bonny Scotland addressed by our very own Scot Hugh Craig helped to make our Burns Day celebration a huge success again this year.

Starting with a Texas Scramble golf tournament with 56 participants and followed by lunch and Scottish jigs joined in by many, there was much laughter and no-one was safe

from joining in the fun.

We thank Sue and Rod Owen who tried tirelessly once again to teach us the Gay Gordon and a big thank you to club member Ben Nelmes of the Jersey Boys for entertaining us with some great music. Thank you to all who attended and helped make it a fun and successful day. We look forward to the next celebration.
